In a hurry Paris turned to Ryan
and exclaim. "I wonder if the draculater
is asleep." "I'm scared I want to go
home." came an uncertain reply.
there was no time for the others to
argue in fact they knew the best
of friends. There was in place for the
defender's knew ~~that~~ what they had to
do. Not every one was entirely sure
that actually wanted to do it. There

and stood it on the wall
cuffing it open and she got a
dagger and smashed it on the vampire's

At that moment Ryan grabbed the statue

nervously. Paris slowly walked to words
the coffin. It was covered in Ruby Red
blood. After that they all craved the ~~coffin~~
~~coffin~~ the blood dripping Beast's coffin.
At that moment suddenly the coffin opened.
All that they saw was a fair looking -
Beast vampire. The vampire screamed
like a screaming pig. Paris grabbed
the stone and slams it to the
Beast's dripping worthless body.
